Suno
Kitaab

Introduction

SunoKitaab is an education podcast platform where users can find great quality audio lectures ranging from NCERT to self-help books. We are disrupting the traditional edtech and education industry to bring back storytelling in education. Our mission is to build an audio platform to bring together educators to share stories and spread knowledge.

Suno
Kitaab

Content/Content Development
Suno Kitaab

Audio Content

Suno Kitaab Private Limited is a content development company that specializes in creating educational content for students, teachers, and other educational organizations. We create content for different platforms, including audio, literature, and e-books. Our content covers a wide range of topics, from basic school subjects such as math and science to more advanced topics, such as computer science, economics, and other field-specific subjects. We also create content for language learning and vocational training. In addition, we develop content for educational institutions, such as teacher training modules, college courses, workshops, and seminars. Our content is designed to be engaging, informative, and interactive, and we strive to use the latest technology to make our content as accessible and user-friendly as possible.

Raji R. ⭐⭐⭐⭐⭐

Sunokitaab is a must app for every child. It helps you in improving your Hindi while also learning your chapters. It has helped me by turning my Hindi a 100% perfect!!! ☺ I recommend everyone to check it out. Thank you Mam for changing my Hindi!!!!!

Akshta ⭐⭐⭐⭐⭐

I love this app. you're doing great job . This is very help full app for students. Thank you so much. I think that if add books then it provide Very gret service . It will help students who can't buy books. In this app thir is no adds so it save time or don't distract .evry thigns are very good about this aap . I will refere this app to my friends also. One's again thanks ☺☺☺☺ It is also useful for blind students or the one who have no time for reed books

Surya Raj ⭐⭐⭐⭐⭐

I Found this app very useful, and Help me a lot of containing Various topics from various sources. It having no extra cost. It protect from direct eye contact to harmful Mobile radiations

Devendra Raj ⭐⭐⭐⭐⭐

This application is really conducive in my study, as I am a visually challenged, i do need recorded sessions. Its content and the way of teaching are appriciatable. However, you have to continue working in improving and increasing your content. I would like to add something which should be recorded such as Indian constitution, static general knowledge, computer and psychology. Also facing problem while playing . Doesn't speak buttons. You specify the labels for screenreader.
