

QCount | powered by QueueOne

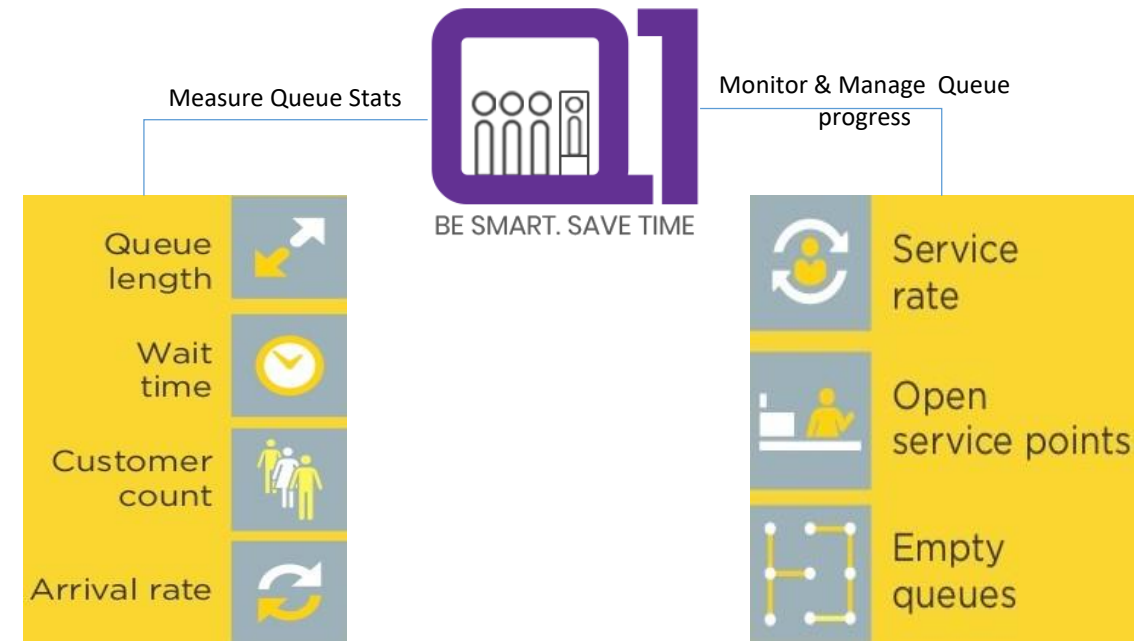

QCount people counter
Automated way to manage long Queues

A Complete **cloud-based** solution with
near **real-time alerts**

Intelligent Queue Management:
Measure, Monitor & Manage performance of queue at various touch-points.

QCount IoT device (each unit comprises of):

- QCount device fitted within *Smart-Stanchion*
- Li-rechargeable batteries fitted within *Smart-Stanchion*

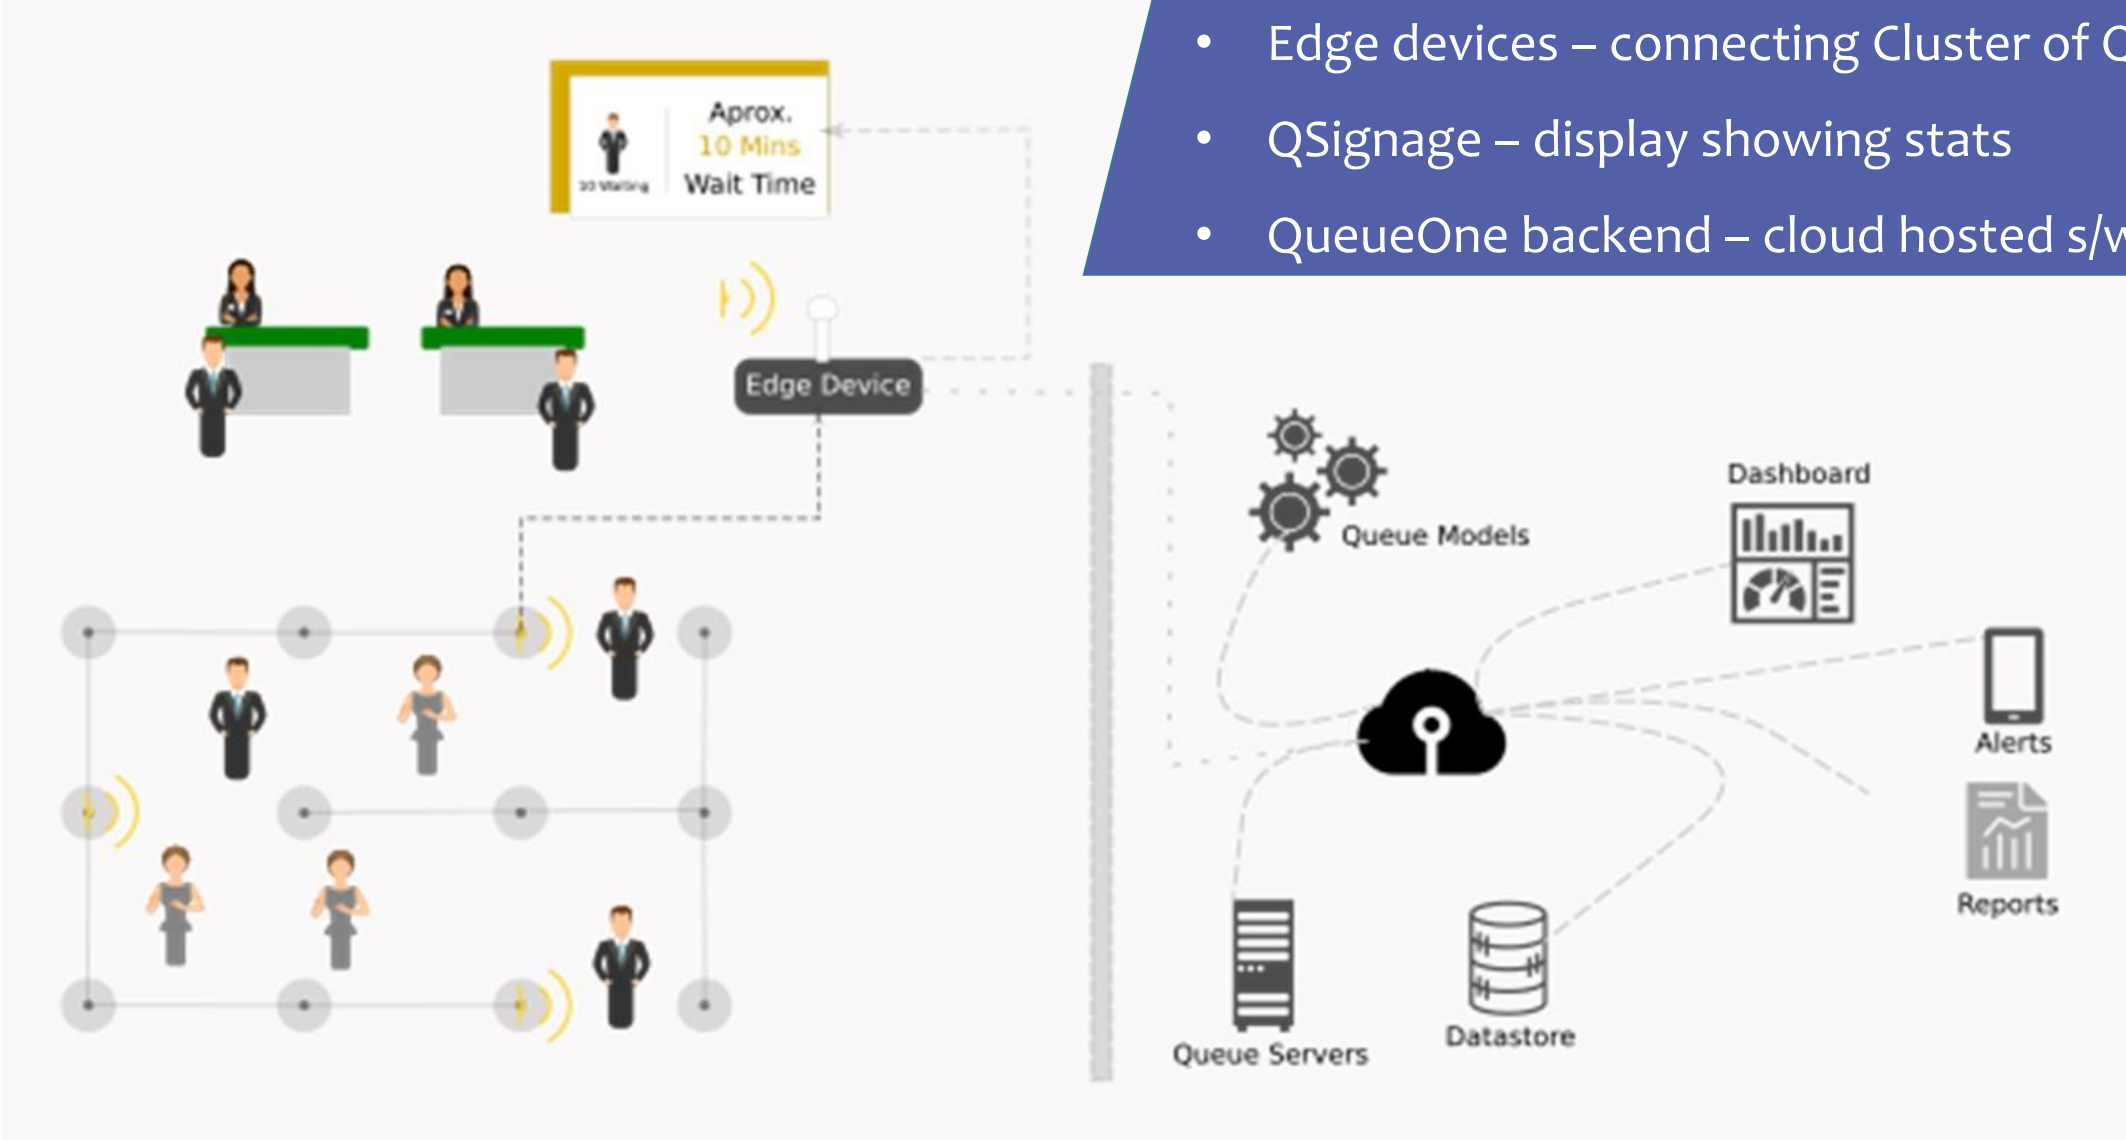

Features & Benefits

- Automated foot-fall counting with accuracy more than 90%
- Automated alerts on threshold breach
- Integration with *QueueCRM*
- Data security & user privacy part of design
- Smart Phone *IoT-controller* for ease of configuration
- *SmartCount* omitting staff movement
- Signage display with *wait-time* and *queue-stats*
- Dynamic capacity management
- Increase in customer delight

QCount IoT Solution: Components with Illustration

- QCount Devices – placed at touch points
- Edge devices – connecting Cluster of QCount
- QSignage – display showing stats
- QueueOne backend – cloud hosted s/w

QCount – People counting device

Product code: Qcount-20_v1.0

Sensor-Type: ToF (dual sensors)

Connectivity: WiFi & Bluetooth

LED Indicators: No

Battery runtime: 15 Days

Price: ₹ 15850/- (plus GST)

Inclusions & Tenure

- One year S/W license for QueueOne platform
- Admin App (both Web & Mobile) for remote administration

- SMS alerts to admins on threshold breach
- Basic CRM / Staff-rota management for service allocation

QCount – People counting device

Product code: Qcount-21_v1.0

Sensor-Type: ToF (dual sensors)

Connectivity: WiFi & Bluetooth

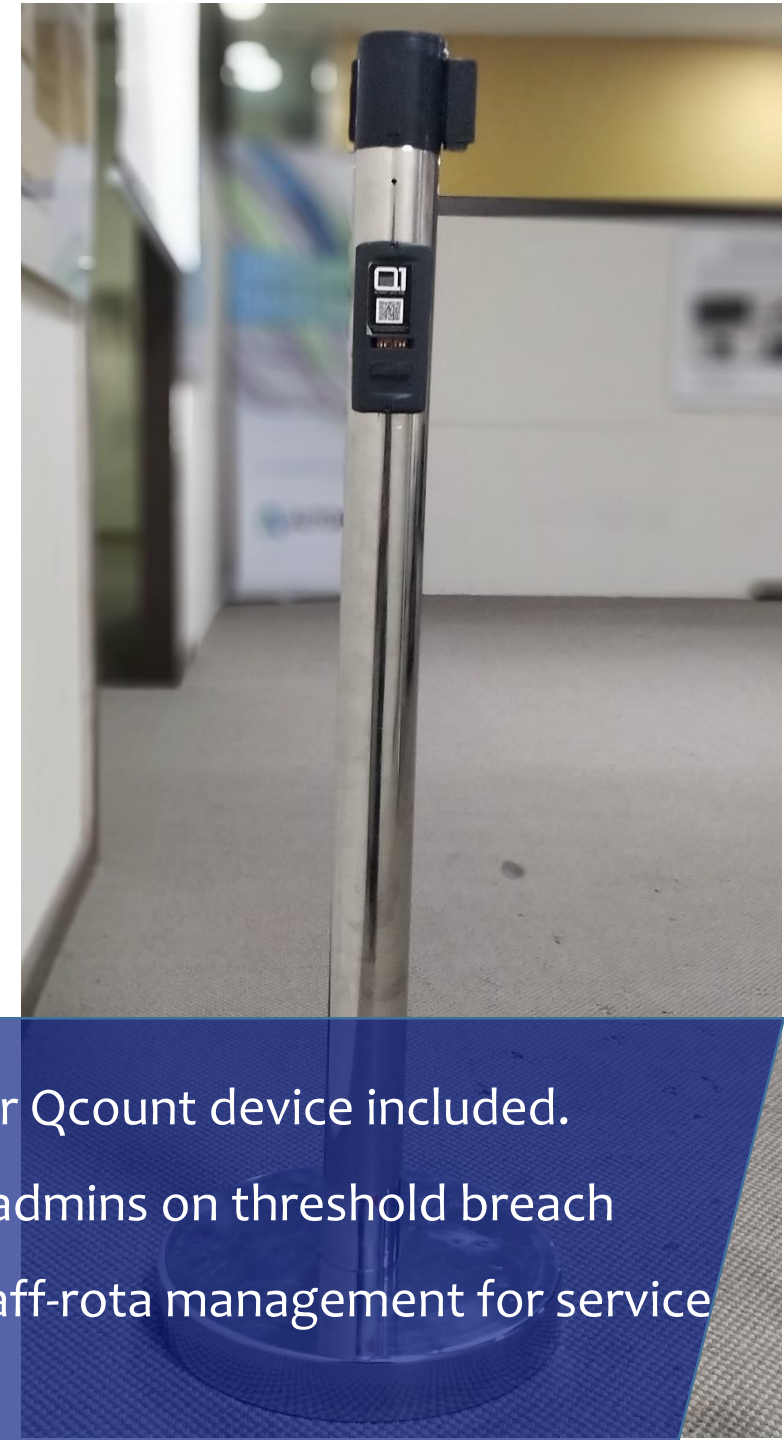

LED Indicators: Yes (Battery, Alerts)

Battery runtime: 15 Days

Price: ₹ 17850/- (plus GST)

Inclusions & Tenure

- One year S/W license for **QueueOne** platform
- Admin App (both Web & Mobile) for remote administration
- 1st year AMC for Qcount device included.
- SMS alerts to admins on threshold breach
- Basic CRM / Staff-rota management for service allocation

QCount – People counting device

Product code: Qcount-22_v1.0

Sensor-Type: ToF (dual sensors)

Connectivity: WiFi & Bluetooth

LED Indicators: Yes (Battery, Alerts)

Battery runtime: 30 Days

Price: ₹ 18750/- (plus GST)

Inclusions & Tenure

- One year S/W license for **QueueOne** platform
- Admin App (both Web & Mobile) for remote administration

- 1st year AMC for Qcount device included.
- SMS alerts to admins on threshold breach
- Basic CRM / Staff-rota management for service allocation
