Consultancy Services – Land Acquisition, GIS Mapping & Documentation

Portels Hospitality Private Limited offers specialized consultancy services for **land acquisition, GIS mapping, and cadastral documentation**. Our services ensure accurate land records, structured documentation, and timely delivery to support infrastructure and development projects.

Deliverables

S.No	Deliverables	Format & Timeline
1	Digitized revenue (sajra/khasra) maps with feeder alignment and project components (pump houses, reservoirs, pickup weir, rising mains).	GIS format & PDF – Within 10 Days
2	Land acquisition statistics (district/tehsil/village-wise inventory of government, private, forest, and common lands with ownership details) along with khasra-wise area covered under the project.	Excel & PDF – Within 10 Days
3	Final report and Land Acquisition Plan (LAP) including detailed GIS/cadastral maps, and tabular data of scanned records.	2 Hard Copies & 1 Soft Copy – Within 10 Days

We commit to delivering **accurate, digitized, and GIS-enabled outputs** that meet the needs of government and private sector projects efficiently.
