

Smartest IDentity Creation & Verification Platform

**Unlock Real
IDentity**

IDENTIFY+

OUR VISION

Our Vision is to provide a simple & secure Digital Identity for Reliable & Temper-Proof Data of an Individual. With IDntiFy+ App, any Institution can easily create a Digital Identity for individuals associated with them and the same can be verified universally by IDntiFy+ Mobile App. It mitigates the risk of forgery and tampering of the data issued by the Institution and also provides users with a secure environment to store their data.
