Frequently asked questions

How does user licensing work? Can I have different set of users across the application suite? ^

Your Zoho Mail user list will serve as the master user list across the applications in Workplace bundle. We are working on providing administrator control for defining different set of users across applications. We'll post updates when this is provisioned.

COMPARE PLANS IN DETAIL →

FAQs: Uncover the Knowledge you crave...

1. What is a Google Workspace (Formerly G Suite) account and what does it include?

Google Workspace is a cloud-based productivity suite that includes tools like Gmail, Google Drive, Google Docs, Google Sheets, and more. It allows users to collaborate in real-time on documents, store and share files, and communicate through email and video conferencing. It is designed for businesses and organizations, but can also be used by individuals.

2. Is G Suite free?

Google Workspace (Formerly G Suite) offers a free trial for new users, but it is not completely free. The basic plan starts at 136.90 INR per user per month, while the business and enterprise plans offer more features and cost more. However, Google does offer discounts for non-profit organizations and educational institutions.

3. How do I sign up for Google Workspace?

To sign up for Google Workspace, click on the "Get Started" button. You will then be prompted to form, fill the details. Our Team will get in touch with you and complete the process for Google Workspace.

4. Can I use my own domain with Google Workspace?

Yes, you can use your own domain with Google Workspace. During the sign-up process, you will be prompted to verify your domain and set up your email and other services.

5. Will Brio help with support requirements for Google Workspace?

Yes, support is provided with your Google Workspace.

6. What is the difference between Google Workspace and G Suite?

Google Workspace is essentially the rebranded version of G Suite, with some additional features and updates. The main difference is that Google Workspace includes more collaboration and productivity tools, such as Google Meet, Google Chat, and Google Docs, Sheets, and Slides. It also offers more advanced security and management features for businesses.

7. Can I transfer my Google Workspace account to brio ?

Yes, you can transfer your account to us!

8. Which Payment options are available with Brio?

We accept both online and offline payments options. Wire transfer, NEFT, RTGS, Debit/Credit Cards, Pay U Money and PayPal.
