

AKARMA ENTERTAINMENT LLP
THE STORY COMPANY

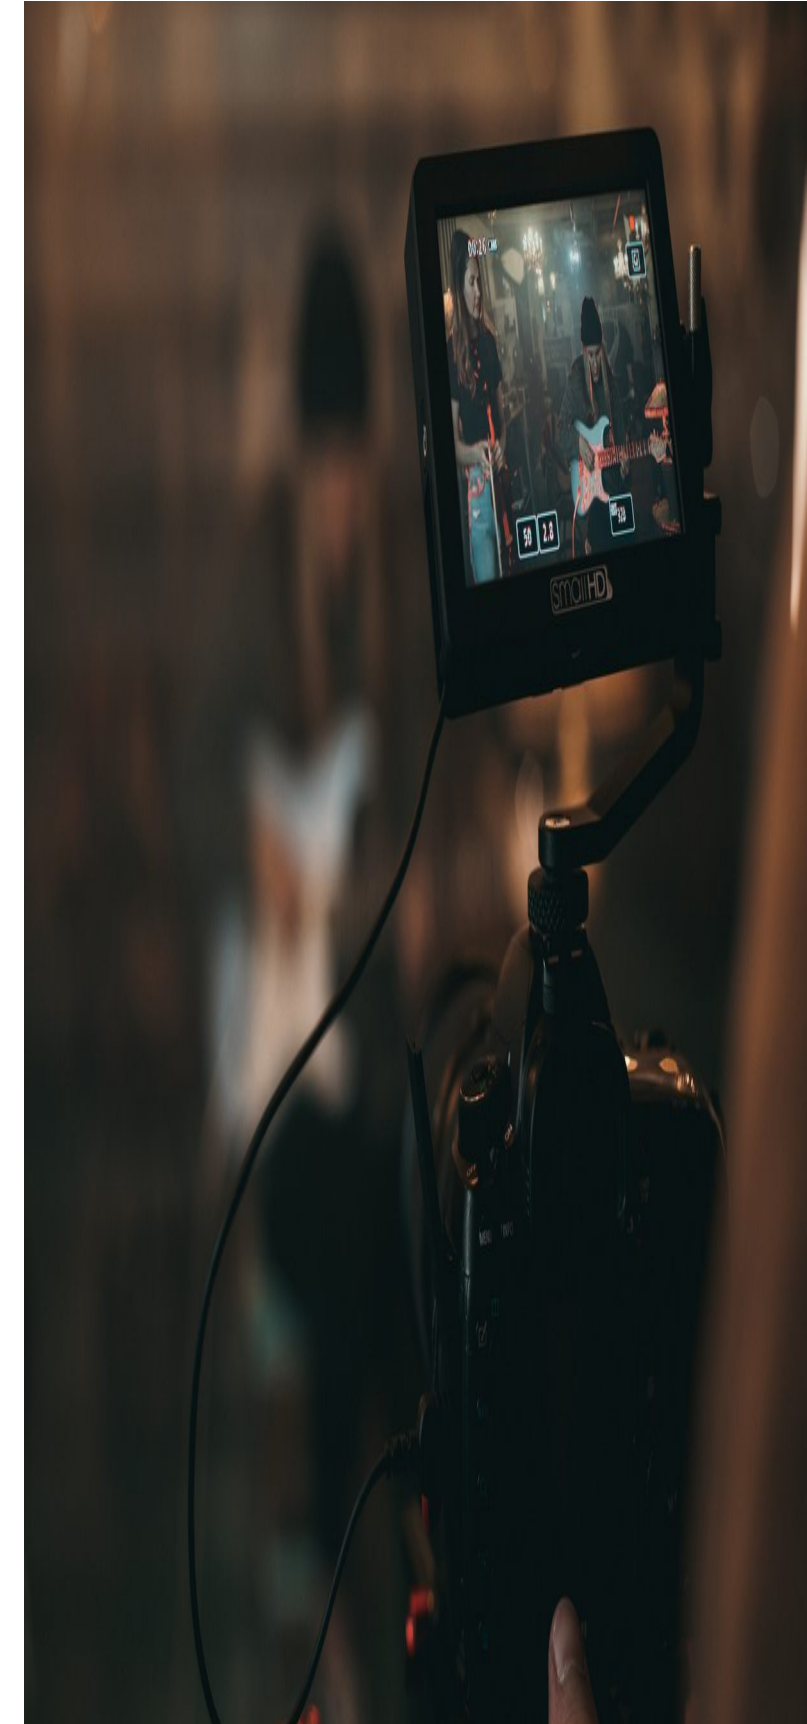

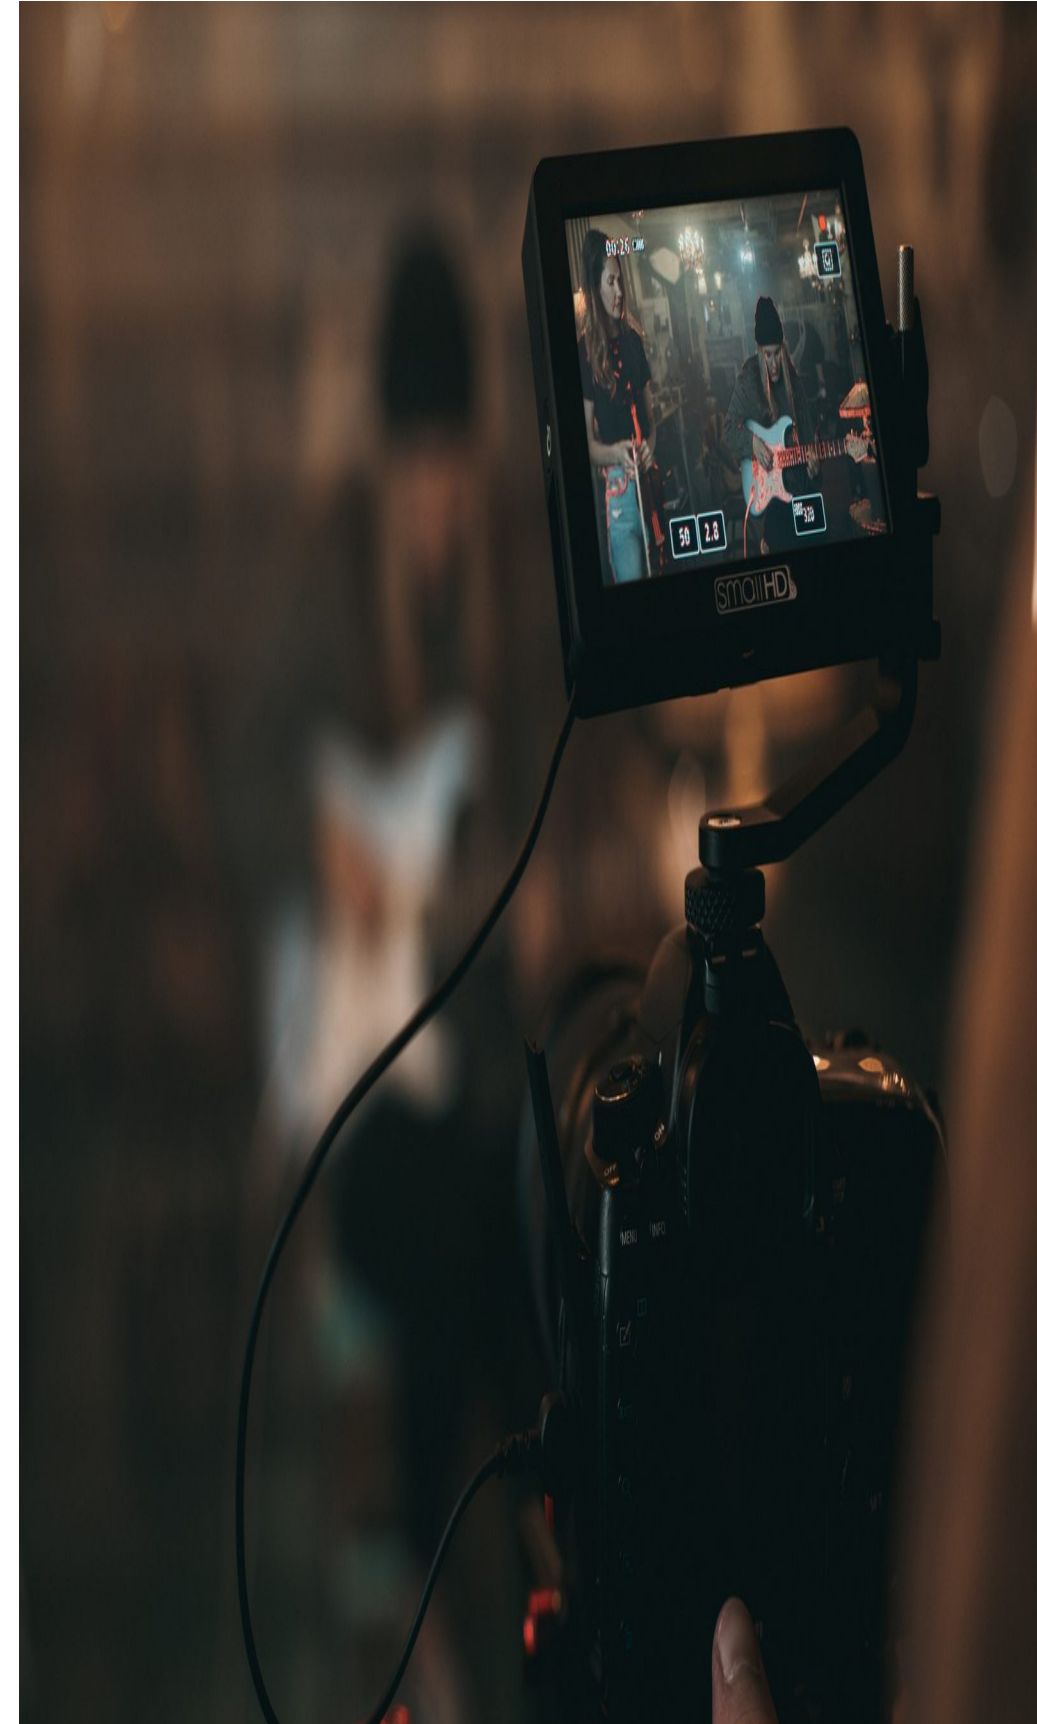

ABOUT US

AKARMA ENTERTAINMENT LLP is a media & entertainment STARTUP with interests in Filmmaking, Audio Video Production, Movies, Advertising and Digital Content Production. We create Animation videos, Documentaries, Video spots, Ad Films, Digital content, Line production and Pre to post-production services. Offline Marketing (Hoardings, Road shows, street plays etc). Content ideation and production to execution, we do it all!

Our solution

Create excellent content across all genres in visual medium. Be it a Govt. organization, a private company or an individual, everyone needs a story to promote their schemes, products and services. We help create and tell those stories effectively through visual content like Govt. Scheme promotional Video spots, TVCs, Documentaries, short films. Promotional films, Advertising, Animation videos Digital content etc. From planning to execution, we translate your thoughts and visions into a concrete expression that will connect and resonate with the world.

OUR WORK QUALITY

We use state-of-the-art technology and work with top-of-the-line professionals to create Industry-standard quality. Our hardworking and dedicated team creates a feel that conveys the desired message effectively.

Contributing to employment generation and bringing up the talent of our Bharat is our utmost priority

Our philosophy

We want to become a company that is recognized on an international platform and takes our Bharat to the global diaspora of filmmaking
