Long queues/wait-time impacts visitor/customer satisfaction negatively

# The Solution: No-More Physical Queues!

Created **Digital Avatar** of day-to-day queues

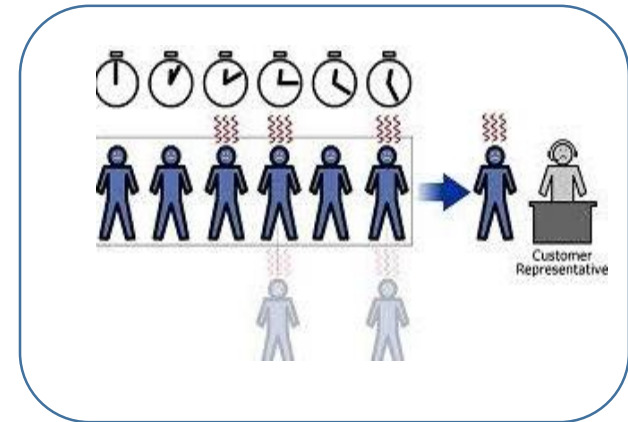

**Known concepts**  
(appointment system, token system, people-counting)

+

**Digital platform**  
(Cloud based solution + Queuing Theories + AI/ML + IoT )

#GoDigital

Queue-Up **digitally** → get **real-time** updates → be at **point-of-service ONLY** when needed
