

Voltakey Digital Pvt. Ltd

Government Event Registration & Check-in Management Solution

Powered by Voltakey Digital Pvt. Ltd.

Voltakey Digital Pvt. Ltd. offers a comprehensive and secure event registration management solution tailored for government and public sector events. Our platform streamlines the entire attendee journey – from pre-registration to on-site check-in and post-event reporting – ensuring a smooth, error-free experience.

Key Features:

- **Fast & Secure Registration:** Seamless pre-registration and on-site registration with OTP/email verification.
- **High-Security Entry:** QR-based check-ins with encryption to prevent duplication or unauthorized access.
- **Real-Time Dashboard:** Instantly view and manage registration data, check-in status, and live attendance counts.
- **Compliance-Ready:** Designed to meet government-level security and data compliance standards.
- **Post-Event Reports:** Export complete attendee data and event insights for official documentation.

Our system is ideal for large-scale public events, awards, conferences, summits, or government outreach programs requiring tight security, real-time monitoring, and efficient access control.
